

## Chester, New Jersey

By: [Billy McDermott](#)

Date: July 6, 2005

Located in [Morris County](#), the borough has a population of 1635. Settled in 1736, [Chester, New Jersey's](#) shopping district is well known. There are 609 households, 426 families and the population is more than 94% white. The median household income is \$80,398 and the family median income is \$106,260. Per capita income for the Borough of Chester, New Jersey is \$42,564. Chester, N.J. intersects with Routes 206 and 24. Route 24 becomes Route 513, also called Main Street and the heart of [Chester's Shopping District](#).

Chester is home to [Larison's](#), a mainstay for many generations. My 17-year-old daughter Kathryn had dinner there Friday night. She is a camp counselor nearby. She is a senior at St John Villa Academy High School in Staten Island, NY. On their website you can print an Internet coupon for 15% off your food bill. Larison's is located at 2 West Main Street, Chester, NJ. Larison's phone number is 1-908-879-1858.
